Mr. SPEAKER.—Motion moved :

"That the Mysore (Registration of Documents) Validation Bill, 1964, as passed by the Legislative Council, be taken into consideration."

† Sri MAQSOOD ALI KHAN.—The statement of objects and reasons is quite self-explanatory. This Bill has been passed by the Council. I may add a few words by way of elucidation. Sir, under Section 5 sub-sections (1) and (2) of the Indian Registration Act, the State Government has got powers to form some districts and assign those districts to sub-registry offices. By virtue of the Government Notification a new Sub-Registry Office was formed with effect from 1st August 1961 at Bellur, Nagamangala Taluk, Mandya District and the villages that are assigned there have been given in the Statement of objects and reasons. It happened Sir that the villagers of Yediyur Hobli represented to the Government that it was not convenient for them to get their documents registered at the new Registry office and on their representation the Government issued an order on 27-7-1961 that the former praetice should prevail and the documents be got registered at the Sub-Registry Office at Kunigal and there afteranother Notification was issued by Government on 23-4-1962 retransfering all those villages of Yediyur Hobli to Sub-Registry Office at Kunigal. The question of validation of the documents that were got registered during the intervening period was considered by Government and it was thought fit to bring this legislation so as to validate those documents. So, Sir, this Bill is brought forward and I think the Hon'ble House would agree to the adoption of this Bill.

Mr. SPEAKER.—The explanation is so satisfactory that everybody agrees with it. I put it to the vote of the House. The question is.
